E500
SmartPOS
Countertop Terminal

MAIN FEATURES

Powered by Android

8-Inch All Perspective-IPS Screen, HD Display Capacitive Touch Screen

4G + WiFi + Bluetooth

Integrated High-Speed, Thermal Printer with Automatic Paper Cutting

Separate Merchant Facing (POS) & Consumer (Payment) Devices

Featuring the Countertop SmartPOS E500 Android Terminal...

The E500 is a next-gen SmartPOS that heightens the user experience with its bright merchant-facing touchscreen and customer-facing display.

Powered by Android OS, the all-in-one game-changer delivers a solid performance in any retail and hospitality space, such as bookstores, coffee shops and more.

The E500 exceeds the standards of a seamless user experience with its carefully designed components, such as a 3-inch high-speed thermal printer with an automatic paper cutter, multiple peripheral ports, 4G, Bluetooth, and WiFi communication options, and dual cameras.

This terminal comes coupled with Ryze's revolutionary processing solutions and more.
